**:: Certificate No :: SR/4848742/2026**

**Date of initial registration : 16 May 2026**  
**Re-certification Due : 15 May 2029**

**1st Surveillance Audit : 16 April 2027**  
**2nd Surveillance Audit : 16 April 2028**

The Certification body has performed a sample assessment of the above product quality system covering the processing, assembly & final inspection of the certified product (s). The quality system has been assessed, approved and is subject to continuous surveillance according to Machinery Directive 2006/42/EC. No additional test report was carried out from submitted type sample of the product in conformity with the Specification of the respective standards except those submitted by the Customer. The CE mark as shown above can be used, under the responsibility of the manufacturer, after completion of an CE declaration of Compliance with all relevant CE Directive. The statement is based on a single evaluation of one sample of above mentioned product. This Assessment is based on a Part of Production and does not Certify the whole Production. This declaration of conformity is issued under the sole responsibility of Manufacturer. Manufacturer declares under its sole responsibility that the product identified is in conformity with all relevant Union legislation.
